

GREAT MUSIC. GREAT THEATER. THE WORKS.

To Whom It May Concern,

My name is Aaron Ozee. I am the Director of Marketing and Public Relations at Music Theater Works. I am writing this letter of recommendation as part of the Marketing Internship, Shannon Berg, completed at Music Theater Works. The duration of the Marketing Internship began September 27, 2021 and ended January 7, 2022.

Music Theater Works has always valued education, and just as you can see from the assortment of programs that our company has available, we understand the knowledge we at Music Theater Works retain can help students jumpstart their dream careers. Shannon Berg is the first student to assume the Marketing Intern role under my new regime and everything that I hoped to achieve with her as part of the Music Theater Works team was made possible.

Shannon Berg outperformed the expectations that I had set for the Marketing Intern role and she managed to accomplish so much in the Marketing Department at Music Theater Works under the pressures of the COVID-19 pandemic. Shannon Berg was taught everything that any marketing executive should know upon entering the field and everything a marketing executive would need to know entering any directorial role.

Based on my professional insight, and boasting more than a decade of experience in marketing, I believe that Shannon Berg has what any employer would come to desire in their search for a new team member. Music Theater Works appreciates everything that Shannon Berg has worked on since the beginning of her Marketing Internship and encourages her to keep venturing down the path of success as her future unfolds in many exciting ways.

Sincerely,

Aaron Ozee
